Source: Data extracted from files submitted by Expatriate Management System (LMRA-EMS), General Organisation for Social Insurance (GOSI), Pension Fund Commission (PFC), and Civil Service Bureau (CSB) monthly data files to LMRA. Labour Force Survey 2004. For details see "Estimation of Employment and wages (tables A and B)" in the Documents section of the website.

- Notes:**
1. Data for 2006 Q2 is that of 2006 April and for 2006 Q3 is that of 2006 August.
 2. From 2008 Q2 onward, "Public sector" for Non-Bahraini workers refers to workers in the "Government sector" of the Expatriate Management System (EMS) of LMRA. Correspondingly, "Private Sector" for Non-Bahraini workers refers to the sum of "Commercial" and "Non-Commercial, Non-Government" (NCNG) sectors of LMRA's EMS system.
 3. Male population includes persons with unrecorded sex attribute.
 4. Details may not add up to totals due to rounding error. Also, data from this table may differ from totals obtained from other tables in the series (Tables A1, A2, A06, A07, A10 and A99).
 5. The drop in number of domestic workers in Q2 2018 is due to data cleansing of domestic records during Q2 at LMRA
